** Students in SA can apply to be accepted for distance education by the Veritas College International Graduate School in San Antonio, Texas, USA.

Veritas College International equips the church worldwide from foundation to Doctorate level based on the philosophy of Integrated Leadership Development (ILD™). This vision of discipleship leadership is fulfilled through Competency Based Theological Education by training church leaders to train others to facilitate the following processes:

Module 1

How and why the Bible came into being
How to interpret exposition and exhortation applied to the NT letters
The message of salvation
How to lead a Bible study group
How to preach

Module 3

How to interpret biblical poetry applied to Psalms, Wisdom books and the Prophets
Prophecy in the OT
Praise and worship in the church
How to provide biblical pastoral care

Module 2

An overview of the OT
A biblical worldview
How to interpret narrative to the OT historical books
How to present a biblical message to children

Module 4

How to interpret the Synoptic Gospels, the Gospel of John and Acts and apocalyptic literature applied to Revelation
How to develop a strategy for church life

Steps to follow...

- Visit our website to find out more about our programs: www.veritascollege.org/intro-degrees/intro-graduatestudies
- For enquiries about the Modules, Australian Accredited Qualifications or to request our Catalog from the Veritas College International Graduate School email: vci@veritascollege.org
- To discuss the Masters or Doctorate programs in South Africa contact the VCI Graduate School Senior Faculty, Dr. Tiesie de Coning (tiesie@veritascollege.org) or the VCI Graduate School Ministry and Spiritual Formation Director, Dr. Chris van Wyk (chris@veritascollege.org)
- Scholarships of tuition fees are available for formal training for deserving students who are in need of a payment plan. For more information please refer to the Catalogue.

About Veritas College International

Since 1992 Veritas College International operates in more than 45 countries in relationships with local churches with approximately 16 000 course enrollments every year in its foundation training as the first level of training. The second level is the Australian Accredited Vocational Education and Training program. The third level consists of the Graduate Diploma, MA, MDiv and DMin programs offered by the VCI Graduate School, incorporated in the State of Texas.
